Before the meeting began, we had our raffle, presided over by Leslie Hartman. Proceeds from the raffle was \$24.00 which will be spent on future meeting refreshments.

Norman Onnen called the meeting to order at 7:21 with a welcome to all and introductions of guests and new members.

Club T-Shirts/Hoodies - Orders were taken for club shirts and sweatshirts.

Association - Results of the March show will be in the next bulletin.

We are in need of club delegates to the Association.

Help Wanted:

Youth Summer Camp - 30-45 minute program with hand-out specimens in late May

Club Directory - Need someone to take over the club directory or someone to assist.

Club dues are due in May. Anyone who pays by the May meeting will be entered in a drawing for a prize.

Field trips:

Last field trip was to Altoona. We had 9 people who went along for the gathering of specimens.

Our next field trip will be April 29th. The group will be going to the Waverly quarry in Kansas.

Our next meeting will be May 4th, program has not been determined, possibly Kathleen Rust.

Picnic will be on Saturday June 3rd at Kill Creek Park.

Program - Quinton Mindrup presenting a program on Ignimbrites of Peninsula Conception (Baja California Sur). Quinton is an Olathe High School & Olathe Geoscience Academy graduate, currently a K-State student of Geology, and 1st recipient of Tom Lorenz Memorial award.

Meeting was adjourned at 8:30pm
